

XLP Heatshrink Dispenser Boxes

Mini Dispenser Boxes of Heatshrink

Mini Dispenser Box is designed for XLP range of Heatshrink. It boasts a number of excellent features such as:

- Space saving design - handy counter size box
- Keeps product dust and dirt free
- Offers flexibility of choice in length- customers can get as much or as little as they require
- Optional counter display unit available, which will allow several dispenser boxes to be stacked together providing even greater flexibility of choice

Catalogue No.	Pre-Shrink Diameter (mm)	After Shrink Diameter (mm)	Recovered Wall Thickness (mm)	Length in box (m)
XLP1.5	1.6	0.8	0.4	10
XLP2.5	2.4	1.2	0.48	10
XLP3	3.2	1.6	0.48	10
XLP5	4.8	2.4	0.48	10
XLP7	6.4	3.2	0.56	5
XLP10	9.5	4.8	0.62	5
XLP13	12.7	6.4	0.62	5
XLP20	19.1	9.5	0.68	5
XLP25	25.4	12.7	0.87	5

Note: When ordering please use this formula to derive a part code: "part code + colour code + length" for example XLP2.5BK - 10M (2.5mm x Black x 10m)
