Product Summary

CT-CBC Kleanium™ Circuit Board Cleaner

Chemtools Kleanium™ Circuit Board Cleaner is formulated to be a very efficient bench top flux remover. Efficiently rinses dirt, moisture, dust and corrosion and compatible with most rubbers and plastics. Rapidly cleans waxes, oils and greases. For use on PCBs, tape heads, optical and precision instruments, motors, dies, bearings and air tools.

Features & Benefits:

- Tough on all types of fluxes
- Fast drying

- Non corrosive
- Low odour
- No clean flux compatible
