

# GUARDIAN™

## MINI Photoelectric Smoke Alarm (6 Pack)

The GUARDIAN photoelectric smoke alarm responds quicker to smouldering fires and the dense smoke given off by foam filled furnishings or overheated PVC wiring.

### Features:

- 10 Year non-removable Lithium battery
- Test and hush function
- 10 minute hush option
- 30 day low battery warning
- Low profile mounting base with double sided tape
- 85dB(A) at 3 metres
- Certified to Australia Standard AS3786-2014
