

FLEXION

5m flexible, trimmable, LED strip range

- Complete kits in various outputs and IP ratings make these suitable for a wide array of applications
- Flexible PCB and quality 3M double sided tape makes mounting on curved surfaces a breeze
- Available in warm white, neutral white and cool white as well as RGB
- Driver with flex and plug included
- Strips can be cut at 100mm intervals
- 1.2m flex and plug included
- 12VDC / 24VDC available
- Available in 4 intensities

High Intensity 15W/m, 1390lm/m
Medium Intensity 8W/m, 690lm/m
Feature Lighting 5W/m, 370lm/m
Accent Lighting 2.5W/m, 170lm/m

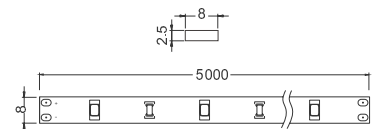

APPLICATIONS

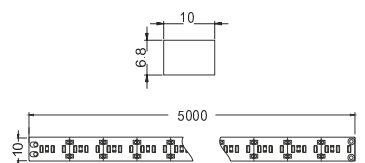

CAFE, RESTAURANT, LOBBY, STAIRS,
GENERAL BACK-LIGHTING, COVE LIGHTING,
FEATURE LIGHTING
