

# MERIDIAN *New*

## 120W/160W high performance linear LED highbay

The MERIDIAN range of linear LED highbays are specifically designed to illuminate tall pallet racks in warehouses with minimal light wastage.

- Optimised light distribution for warehouse aisles and racks
- Choice of beam angles for standard heights and high ceilings
- Surface mount or suspended
- Excellent efficiency at over 130lm/W

HIGHBAYS

### Applications

Warehouse, retail, narrow aisle shelving
