

Single phase 20A extension socket

Part Numbers

Part Number	Description
W66ES320F	20A 3pin extension socket

Specification

Housing

IP	66
Colour	Clear/Orange
Material	Polycarbonate
UV stabilised	Yes
Fixing screws	Stainless steel * 2

Connection

Current rating	20A
For pin configuration	3 flat
Voltage rating	250V AC
Wiring colours	names embossed
Terminal screws	Brass
Earth terminal marking	terminal marked green
Wiring connection	1 screw cage
Maximum cable size	2.5mm ²
Test Standard	AS3112

Cabling

Cable diameter range	5 - 10mm
Cable anchor	1 screw hinged block
Cable gland thread/size	20mm
Gland supplied	M20
Gland seal	O-ring

Dimensions

Diameter of ring	66mm
Body Length	85mm
Body Length inc gland	110mm

Approval/Compliance certification

Approval	RCM marking
----------	-------------

Spare Components

Cable gland - black M20	AG20BK
Cable diameter range	10 - 14mm
