Nexus 64 tone Electronic sander, 10-60VDC, IP66, 120dB

The Nexus sander is a high output, low current consumption sander designed for fire and industrial applications. The Nexus Sander is also available with a high output xenon beacon, ensuring a very effective audio-visual signal. 105, 110 and 120dB units are available as well as the Nexus Voice model, which allows pre-recorded sounds to be played. Different alarms can be activated with three separate stages (in the 105, stages only available in the DC models).
