

## Quick Overview

---

Procell Industrial Battery, 1.5V, AA Alkaline

## Features

---

Procell Alkaline Intense Power industrial batteries are specifically designed to last longer on high drain professional devices that require a high amount of power or peaks of power, such as electronic door locks, soap dispensers, torches, automatic air freshener dispensers etc.

### Features & Benefits

- Reliable Performance
- Excellent resistance to corrosion
- Up to 30% better longevity (vs standard Procell Alkaline batteries) in high drain professional devices
- Bulk packaging with individual date-coding for effective inventory management
- Operating temperatures from -20°C to 54°C
- Designed to meet all major quality, safety and environmental standards (Safety: IEC 60086-5; ANSI C 18.1M, Part-2; EU Battery Directive; Quality: ISO 14001 and 9001, Duracell World Class Continuous Improvement Program)

### Applications

- Medical Devices
- Security Cameras
- Soap Dispensers
- Electronic Door Locks
- Window Blinds/Shades
