

Main

Range of product	Masterpact NT Masterpact NT NAVY Masterpact NW/ Masterpact NW NAVY NS1600b...3200 NS630b...1600
Product or component type	Voltage release
Device short name	MN
Voltage release type	Undervoltage release
Control circuit voltage	200...250 V DC 200...250 V AC 50/60 Hz

Complementary

Threshold tripping voltage	0.85 Un - during closing time 0.35...0.7 Un - during opening time
Supply holding power	4.5 VA
Mounting mode	Fixed
Response time	90 ms Masterpact NW 40 ms Masterpact NT
Accessory / separate part category	Spare parts Masterpact NW Spare parts Masterpact NT
