SERVEREDGE 10RU SLIDE & SWIVEL RACKS

Product Code: CBN-10RU-SSR

PRODUCT DESCRIPTION

The Serveredge 19 Inch Slide Out Rack allows for easy access to equipment inside closed spaces such as cabinets and flush in-wall installations

The rack features a sliding rack frame on top of the base designed to be securely bolted or screwed to a flat solid surface. The top unit slides out and lock in extended position, it can can rotated up to 90 degree angle and locked at 0º, 60º and 90º for easy installation.

The rack comes with an ingenious folding cable management tray fitted to the rear which extends and retracts with the rack position eliminating any cable tension, which when used along with the pre installed cable support bars provides an easy and clean install.

PRODUCT SPECIFICATION

Package Includes

* Slide & Swivel Server Rack :   1
* Cable Support Bars :   4
* Retractable Cable Tray :   1

Physical Specifications:

Rack Height :   10RU
Colour :   Black
Weight Capacity - Stationary (kg) :   60
Unit Dimensions (mm) :   529(H) x 570(D) x 491(W)
Shipping Dimensions (mm) :   585(H) x 593(D) x 520(W)
Unit Weight (kg) :   21.82
Gross Weight (kg) :   25.52
